Beim Anbringen der Markise darauf achten, dass sich die Halterungen an den Markierungen "SUPPORT" und an den Anbringungspunkten der Arme im Gehäuse befinden.

When installing the awning, please make sure that the brackets are in correspondence with the marking "SUPPORT" and in correspondence with the arms fixing points in the box.

Pendant l'installation du store assurez-vous que les supports soient en correspondance du marquage "SUPPORT" et en correspondance du point de fixation des bras au boîtier.

Verificare prima dell'installazione della veranda, che le staffe si trovino in corrispondenza della scritta "SUPPORT" e di conseguenza in corrispondenza al punto di fissaggio delle braccia sul cassonetto.
